

April 14, 2010

Dear Parents,

I hope you all enjoyed the Easter break with your children. It sure sounds like the students had a great time with their families.

We are only 2 days away from our biggest fundraiser of the year and we have room for more of you to attend. If you haven't gotten your tickets already please consider joining us for the evening. You can order tickets through a note in the brown envelope or stop by the school office to purchase your tickets. Tickets are \$25 each which includes a delicious sit down dinner at the Wellington, free beer and soda all evening long, silent auction and raffle opportunities and a chance to be with a great group of people all while helping St. Joseph School raise money to help offset costs.

Can't make it to the event? Purchase cash raffle tickets ahead of time. You need not be present to win. Someone will win \$1000 or \$500 or \$250...think what you could do with this additional money! Tickets can be purchased through the family envelope or Mary Hartzheim will be happy to sell you tickets if you stop by the office. If you have already sold tickets to friends and family make sure that the tickets with money are returned to the office by Friday so your tickets can be put in the ticket drum to have a chance to win!

A Spring Splash booklet is included in today's envelope for you to look through prior to Friday evening.

The students in grades 1, 3 and 4 held a Rice Bowl Collection during Lent and raised \$60 for this worthwhile project.

On Monday, April 26, we have an early dismissal day. Students will be dismissed at 11:30. Please make sure your children know what to do and/or where to go on this early dismissal day. Teachers will be working on this afternoon to prepare for next year.

If you have not yet returned your registration information for next year please do so at your earliest convenience.

Thanks to a very thoughtful donation of time and talent by Jill Noffsinger who taught a Child and Adult CPR and Defibrillator training course, free of charge, to St. Joseph staff members. We are all safer within our school. We thank and appreciate the following staff members for receiving training: Ms. Gegare, Mrs. Gerlach, Mrs. Haen, Mrs. Hartzheim, Mr. Krause, Mrs. Miller and Mrs. Rabas.

Today, eight students from Notre Dame Academy donated their time and talents to St. Joseph School . This is a day known as NDA Serves 2010. Students helped throughout our school as well as dozens of other locations within the Green Bay community. We appreciate their enthusiasm while helping at our school.

I hope to see you on Friday night at the Wellington!

Sincerely,

Carol Hoard
