- Teach to the multiple intelligences of the individual
- Increase the appreciation and value of diverse learning styles
- Nurture a holistic education
- Decrease absenteeism and tardiness
- Improve standardized test scores

Students learn by:

- Acting it out
- Building it
- Creating it
- Touching it
- Singing about it

Spiritual Experience

St. Joseph School Inc is committed to:

- Belief in God;
- Belief in the value of each human being;
- Belief in Jesus Christ;
- Belief in quality education of the total person - mind body and spirit.

Each student will be formed in the faith of Jesus Christ.

Christian values and respect for all people are taught and shared daily, creating lessons that last a lifetime!

Students participate in a weekly mass or prayer service as well as share in prayer throughout each day.
